Mr. W. D. Jeter

Dedication

Supporting and encouraging, his unselfish
Aide and concern for the students represents to all
That he is a fine person of strong and tested character.

With an unceasing source of energy,
We admire the way he approaches the problems of life.
His interest in students and their
Activities gives him the knowledge to
Understand the nature of today's youth.

To him we dedicate the 1968 EAGLE
In an attempt to return some of the respect
That he first gave to us . . .

W. D. Jeter

Today we are searching for identity — a character we can call our own. We strive to find it in the many activities in which we participate. We ask endless questions and in many ways plead to be understood. Some find themselves in the whirlwind of activities, while others hesitate. This, again, is . . .

THE NATURE OF YOUTH

Activities

Pablo Proano, from Quito, Ecuador, has always loved to travel, and he received the chance to when he was offered the opportunity to come to RHS by A.F.S. to live with Monte Zajicek and his family.

"I like to travel and want to learn other customs; learning many new things will help me when I return to Ecuador," Pablo said.

Football fascinates our visitor along with the industrial sections in the Dallas area.

Key Club programs, A.F.S., and speech-making has kept Pablo constantly on the move at R.H.S.

Pablo was first given the chance to come to Richardson after he had successfully completed a series of tests, attended lectures, studied English, and discussed problems with other A.F.S. students. So we see Pablo had a real desire to come to Richardson! RHS will be sorry to see him leave!

In the Eagles Nest, Pablo enjoys speaking with RHS'ers.

Talks about Ecuador and the customs of his country, have become a routine affair for Pablo.

Pablo Proano finds time to help Chris Streit with his Spanish.

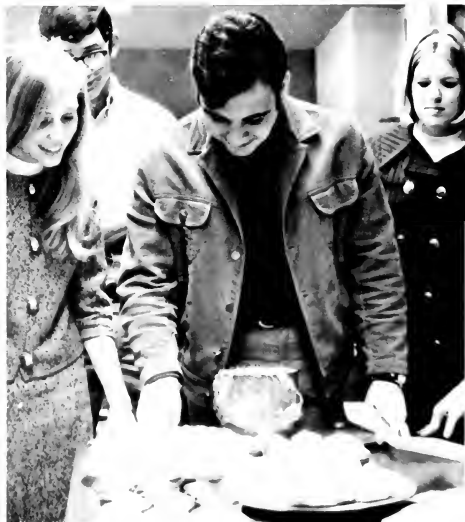

Being a foreign exchange student is not all fun and games for Bert.

After class, Bert Metzger dreams of his home land.

From "My Sister Eileen" to Key Club projects and discussions of his homeland, Bert has been kept constantly busy while at RHS. While at home he won a Bible quiz, and the prize was an eleven-country tour of Europe. Through his active participation in school activities and our knowledge of his past experiences, RHS has come to realize what a really versatile young man Bert Metzger is.

"Life here in Richardson has been an experience I shall never forget," replied Bert in a summation of his stay here in Richardson.

Here at RHS, Bert has all kinds of surprises.

Key Club President, Jim Madden, presents smiling Diane Rogers, 1968 Key Club Sweetheart, with a bouquet of roses.

During the active night of the prom, the punch bowl stays busy.

Before the prom, RHS'ers Keith Jones, Paula Bowers, Scott Lipsett, and Linda Dyson enjoy dining at the Italian Inn.

Kathy Ernst whispers sweet nothings in Bob Kammer's car during the spotlight dance.

Eagles of the Month Show Leadership . . .

Anne Reynolds, October's Eagle of the Month, really gets around. Anne has been an Eaglette for three years and a Lieutenant for two years. She is also a two-year member of the National Honor Society, an active member of GLS I, and a member of the Annual Staff. Even though she is tiny, she plays a big part in the life of RHS.

Jim Madden is well deserving of the honor of being Eagle of the Month for September. Jim is President of the band, President of the Key Club, a Student Council representative, and a member of the American Field Service. How active can a person be? His smile, cleverness, and politeness instill confidence in all his classmates.

Petite Pam Melton, Eagle of the Month of November, has a personality that will not be soon forgotten by people who know her. Pam plays a great part in spirit boosting at RHS. She has been an Eaglette for three years, and she is the Captain this year. Pam is also active in Student Council and GSL II. Pam can always be counted on to do her part.

Pride in Their School . . .

Bob Dudney, as Eagle of the Month for December is a Co-Captain of the football team. As quarterback, he played a keen part in our victories. Bob is also active in Future Citizens of America, and he is Vice-President of the Senior Class. His journalistic talents have won him state-wide honors. Bob's good humor and never-failing wit have won him countless friends.

Cathy Elliott, Eagle of the Month for February, is definitely an asset to RHS. She is a great spirit booster, being a cheerleader her junior year and an Eaglette her senior year. Cathy is also President of RHGC, and she has been a member of the National Honor Society for two years. Her smiling face is a familiar sight in the halls.

Eagle of the Month for January, David Arledge, to put it mildly, is well-known here at RHS. Active in football for four years — Captain his senior year — David led the school to victory many times. He is also very active in the Key Club. Everyone who knows Dave can appreciate his friendliness, kindness, and willingness to help whenever he is needed.

Always-on-the-go Martha Shepherd, Eagle of the Month for March is really a busy person. She is the Senior Class Treasurer, a member of the National Honor Society, a two-year Eaglette, a two-year GSL I member — secretary her senior year — Editor of the Eagle, and a two-year Student Council member. Martha can always be relied upon to lend a helping hand — if she can be stopped long enough to do it.

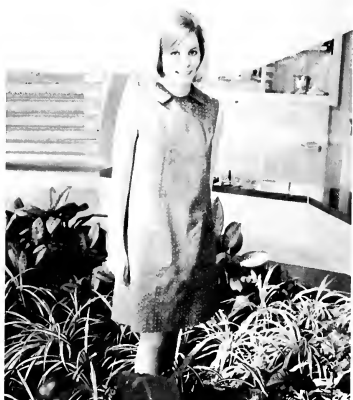

and Love of Mankind.

Chris Lin, Eagle of the Month for April, can always be found where the action is. This year Chris is a member of the track and cross country teams, a member of the Key Club, Future Citizens of America, and American Field Service. He is a loyal Eagle and does not hesitate to pitch in and help.

Eagle of the Month for May is Susan Leighton. She has won many friends through her numerous activities at school. Susan is the historian this year for the Student Council. She has done a great deal for the government of RHS. Susan is also an active member in RHGC.

Open House Brings Parents Back to School

Even the parents of RHS'ers have difficulty finding their way through the halls.

Parents refresh themselves with coffee and pie at the halfway point of their "school day."

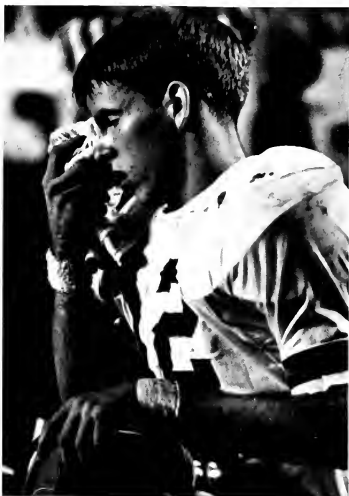

Parents of annual staffers learn what makes up a yearbook.

Here's a side of RHS seldom seen in our yearbook — Open House. Twice a year parents are invited to follow a schedule similar to their boy's or girl's. During the visit, the parents have a chance to become better acquainted with the school life at RHS, the faculty, and the administration. Open House was set up for these respective ideas.

Pride and Determination Mark a Successful Year at RHS

At the height of the football season — Garland Week — Friday night saw an anxious crowd fill the Eagle Stadium. The excitement of the game and the spectacle of the half-time show prepared the crowd for a traditional event — the crowning of the Band Sweetheart. Everyone awaited in eager anticipation as the Band Sweetheart of '67-68 was crowned — Debbie Cullum.

Blood, sweat, and determination make a winner out of Bob Dudney.

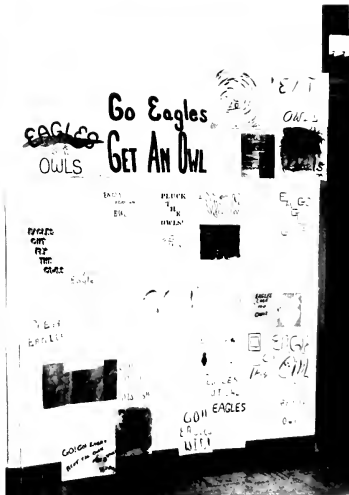

Proud Eaglites turn out to support the greatest team in RHS history.

The victory of it all.

Mrs. Goslow's English classes show pride in their school with their Eagle posters.

Fall Brings Mixed Emotions to RHS'ers

Oscar (Mike Lough) Eagle spends a few happy moments on Sump'n Else.

Susan Brookner and Jean Richards shed Victory tears.

Juniors and seniors of RHS boost their spirits during an Eagle pep rally.

Mark Golightly explodes with concern during the T.J. game.

Lane Pittman says to Chris Harvey, "Hurry, before we get caught!"

Pam Melton sheds a "gouding light" over the Eaglettes.

Students become anxious when the last bell rings.

Nancy Frazier and Sandra Abbott tend to the business end of the annual.

Is this how Craig Arledge sweeps girls off their feet?

Students Strive

Eagle Cagers have it "in the air" to win.

Boon Richards, John Walker, Dave Monroe, Bob Kammeyer, Larry Norsworthy, and Phil Fielder practice for their performance as Gopherettes at the pep rally before the Grand Prairie game.

For Accomplishment

Carol Cahan, Charley Green, Becky McCurdy, and Janet Veerman paint posters for spirit.

As Denise Eskridge looks on, Martha Shepherd rejoices when she wins the senior office of treasurer.

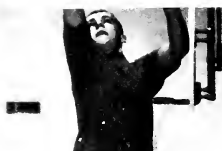

Every student participates in the familiar lunch hour.

What! What piece of literature is this that holds the attention of Jim Reynolds, Barry Ruback, Steve Wilcox, and Richard Peavy?

Various

Even Bob Kammever fell to pieces when he made the basket.

Activities Hold Students' Interests

RHSers go anxiously (?) from class to class. Interesting? . . . well —

Ronny Burns tries to speed up the development of "C" wing.

Cathy Elliott and Mark Rasco combine business with pleasure at an RHS victory dance.

1967-68 Homecoming Court consists of Kay Lau, Madelyn Crawford, Queen, Judy Gross, and Susan Brookner.

The winning float of the annual Homecoming parade was the American Field Service entry. On the float were the foreign exchange students Bert Metzger and Pablo Proaño.

Larry Norsworthy escorts the crowning queen, Madalyn Crawford, off the field.

Homecoming 1967

Butch Flippo and Pam Melton show elated spirits after the victory.

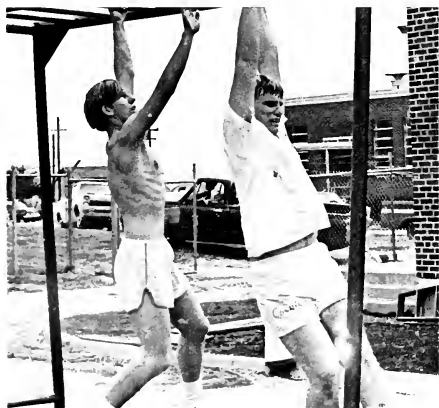

Barry Carnahan exults across the goal line for a 20-7 Eagle F.D.

Jennifer Bolitho seems to think the poster party is in Ron Hubbard's car.

What Goes on in the Minds of Richardsonites? Well . . .

Mark Boland and David Cunningham wonder why they signed up for P.E. last spring.

Roy Haralson knows he's going to be grounded after this six weeks!

Due to the crowded conditions of the fall semester, RHS students believe that moving from class to class is most difficult!

Bob Schloss thinks of "LUV" when he remembers who he has a date with Friday.

Steve Funderburg hopes he can get some of his homework done so he can go out tonight

Today while we strive for acceptance, we are patterning the course of our future lives. We give of ourselves . . . serve others . . . work for cooperation and understanding. By achieving these goals, we are proving ourselves capable of accepting the responsibilities as leaders of tomorrow.

Organizations

Student Council Strives for

1967-68 Student Council Officers — Larry Norsworthy, President; Kathy Hansen, Secretary; Mike Leigh, Vice-President; Susan Loughton, Historian; and David Cordell, Treasurer.

The unifying organization of RHHS is the Student Council as it serves as a media between the faculty and students. This year the Student Council strived for action through better communication and more involvement. These were the three main goals of the Student Council.

There were many firsts for the Student Council this year. Among them were an orientation for sophomores as well as new students to Richardson and the formation of a Presidents' Council. The orientation, held on August 30, gave new students a chance to acquaint themselves with RHHS and its many organizations.

The purpose of the Presidents' Council is to provide unity among the organizations and their various activities.

Communication, Action, and Involvement

Susan and Larry discuss Student Council matters with Mrs. Mann and Mr. Kirkindoll, who provide the guidance for the officers and the representatives.

Larry Norsworthy speaks to the Presidents' Council. The purpose of this meeting was to discuss the unifying of more projects.

Homeroom representatives listen carefully for directions on carrying out elections.

The old greet the new in the foyer of the auditorium at the orientation sponsored by the Student Council.

Sharon McCormick, Candy Primadahl, and Dian Zimmerman work to finish the float before the parade.

Under the sponsorship of Mrs. Mann and Mr. Kirkindoll, the 1967-1968 year was an eventful one.

A large portion of the Student Council's activities are elections. The representatives are in charge of the elections of class officers, Eagles of the Month, members of the Hall of Honor, school favorites, and of the Council's own Executive board.

Council Participates in Various Projects

Kathy Hansen talks with two applicants during the election of representatives.

Betsy McHaney speaks to the seniors on the day of class officer elections.

The Council officers and Mrs. Mann hold a discussion in the Student Council Room.

Cowboy Bob Hayes breaks through the defense of the Mighty Eagle Band. When they played at the Cotton Bowl for the Cowboy game.

Band officers are Jim Madden, President; Cheryl Tesmer, Secretary; James Lynch, Chaplain; and Ken Kelly, Vice-President.

Mr. Frank explains all about a new piece.

Each student at RHS takes pride in our band. It serves the school not only by boosting spirit at games and pep rallies, but also by bringing honor and recognition to our school. Richardson is known for the magnificent performances by our band not only at concerts and regional contests, but also at national music clinics, which they have attended for many years and look forward to participating in again this year.

Majorettes Pam Keese, Linda Putnam, Darly Wollan, and Drum Major John Roberts.

Eagle Feathers Help Boost Spirit

The Eagle Feathers made up a colorful part of each pep rally.

A new organization at RHS this year, the Eagle Feathers have contributed a great deal to school spirit. There was evidence everywhere of the club's activities. They saw that the halls were adequately covered with spirit posters. At games, Eagle Feathers collected tokens for the class race for the best attendance at games. At pep rallies, The Eagle Feathers played a vital role in boosting Eagle spirit.

Officers were: standing — Liz Zahn, parliamentarian; Betsy Bevell, Historian; Barbi Boatman, president; Susan Melton, secretary; kneeling — Merrily Andron, 2nd vice president; Vicki Corder, 1st vice president.

Along with the Eaglettes, the Eagle Feathers were at each game cheering the Eagles to victory.

Mathematicians Are "Whiz Kids"

By developing the skill of answering complicated equations in a matter of seconds, The Mathematicians Club has brought yet another honor to RHS.

During their frequent meetings, Mr. Sheets, their sponsor, flashes algebraic problems to which the members find the solution by the use of formulas.

This club has given demonstrations of their skill for the Lions Club and for Richardson East Jr. High. They also held a bake sale in January to raise needed operating funds.

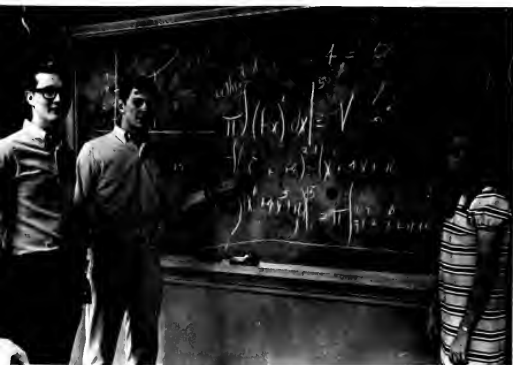

With the use of an opaque projector, members are able to view the difficult problems with ease.

Members of Mu Alpha Theta are Cathy Reynolds, Debby Yantis, Ginger Whitmarsh, Norma Cooke, Linda Jebavy, Jill Geiger, Janie Pryor, Donna Spears, Cathy Corvell, Barbara Clark, Sheila Walker, Hank Hevn, Steve Alford, Robert Huber, Steve Weart, Ronnie Peshock, David Connally, Bill Constantine, Bob Marstrand, Jack Gammon, Don Maggard, Steve Ruback, Hal McWithy, and Ward Winette.

Mu Alpha Theta "Bones Up" on New Math

Mu Alpha Theta is a national organization for outstanding math students. Each year the RHS chapter sends representatives to compete in math conferences. This year the conference was held in San Antonio at the Hemisfair '68.

Vice President — Steve Weart, President — James Lynch, and Secretary — Cathy Reynolds demonstrate one type of complex problem the club enjoys solving.

Members Diane Swisher, Janalu Jeans, Barbara Clark, Nancy Johnson, Debbie Eskridge, Mike Kavanagh, Barbara Levy, Avis Cornelison, Shirley

Scott, and Denise Eskridge are ready for anything.

Paramedical Has 'New Look'

Parade group on float, "Spirit of 68" try to revive the worn-out "Spirit of 67" with "Spirit of 68".

With a new name, a new "Mama" and new members, the Paramedical Club starts off the 67-68 year with much enthusiasm. This enthusiasm was then radiated to the entire student body when RHS outranked all other Dallas area schools by putting 7% of the student body in the Danny Thomas Teenage March.

The club also sponsored a bake sale and various trips and programs featuring prominent speakers.

Officers for this year are: Eileen Sullivan; Mrs. Christine Keasler, Sponsor; Denise Eskridge; Janice Altman; Nancy Johnson; and Becky Sloan.

Members of the Red Cross — Eileen Sullivan, Lynn Nichols, Sheri McCormick, Chris Parsons, Janet Ross, Don Miars, Leslie Hobson, Keith Yates, and David James — pose in the unfinished Eagles Nest with their sponsor, Mrs. Stokes.

Janet Ross adds the musical touch to the Red Cross program at the Veteran's Home.

National Honor Society

Honor Society officers, Barry Ruback, President; Steve Gaspar, Vice President; Nancy Frazier, Secretary; and Bev Renfrow, Treasurer, are presented at the induction of new members.

On December 18, The National Honor Society held a special induction service in the auditorium for one hundred new members. Final selection of members was made earlier in the year from a field of almost two hundred students. Those selected rated the highest in teacher recommendations along with scholastic abilities.

All members are chosen on the basis of scholarship, leadership, service, and character; and they represent the upper seven per cent of the junior class and the upper ten per cent of the senior class.

Sponsors of N.H.S., Mrs. Madge Barnett and Miss Julia Darnall, directed the Society in several projects this year. The major undertaking of the organization was a college-bowl assembly in which National Honor Society members competed with teachers in a question-answer contest. Proceeds from this program were used for a scholarship for a deserving senior Society member.

Playhouse Presents

After the last dress rehearsal, the entire cast and crew assembles on stage for final comments and criticisms.

Long hours and hard work resulted in another successful production for Playhouse RHS. Using the facilities of the new auditorium, members staged a three-act comedy, *My Sister Eileen*, on December 2 and 4. The hilarious play is about two sisters who travel to New York City to seek fame and fortune. With a cast of almost twenty-five students, the leading roles were played by Susie Boyd as Ruth Sherwood, Cathy McClenny as Eileen Sherwood, and Bick Ferguson as Mr. Appopolous.

Sponsor Miss Martha Seelig and assistant director, Sue Stockhoff, directed the cast and crews, who spent many weeks rehearsing and building a very elaborate set. The technical end of the production was supervised by Mrs. Beverly Crouch, and Kerry Whitney was the stage manager.

The officers of Playhouse, Susie Boyd, President; Kerry Whitney, Vice-President; Martha Pietzsch, Secretary; Bick Ferguson, Treasurer; and Kathy Vogt, Historian, lead the club in several activities in-

To become members, this year's applicants were required to present a pantomime and do a cold reading after only ten minutes of preparation. Miss Seelig and the officers acted as the judges.

Eight VICA members who attended the Convention in Tyler are Kay Tomlinson, David Boyd, Susie Sterlacci, Dan Grigsby, Sue Spradley, Jeanne Mason, Don Ramsey, and Janet Sholtess.

VICA stands for Vocational Industrial Clubs of America. Members of this club are involved in the Industrial Cooperative Training Program at RHS. This program was developed to help students desiring to learn working skills and obtain vocational training while still in High School.

This year the club's activities have been varied. On November 4, several VICA members travelled to Tyler for a District Convention. Susie Sterlacci, President of

VICA at RHS, was runner-up in the Sweetheart contest at the meeting. Various skills are developed by ICT students. These skills range from learning to weld and be a mechanic to working as a dental assistant.

ICT student Don Ramsey is studying to be a chef.

Mr. Sholtz is the dedicated sponsor of the ICT program.

Teens Contribute Talent to Gymnastic Club

The Richardson Gym Club is an average group of talented teens who specialize in triple back flips, full and double twists, and the ever popular "Eagle." These devoted tumblers work out before school and during home-room to improve their gymnastics on the trampoline, mats, and balance beam and parallel bars.

This club, under the direction of Coach "Abe" Spangler, spreads its good will outside the school by performing their feats throughout much of Northeast Texas and Oklahoma.

G.R.A. Likes Action!

The Girls' Recreation Association meets to play sports such as basketball, baseball, and archery. Twenty girls make up the club which is sponsored by Mrs. Gay Tunnell. Richardson was especially proud of the first musical production held in RHS's history, "Oklahoma" by Rogers and Hammerstein. The musical was a combined effort of the choral, instrumental, and drama departments and the Modern Dance Club. Members of the dancing ensemble were Becky Arnett, Nancy Bailey, Babs Bontempo, Cindy Chadwick, Penny Harrell, Jan Jeffrey, Judy Jeffrey, Peggy Schenkeisen, Kathy Lingo, Kathy Rowell, Shellee Boyds, Pam Sams, Sandy Simmons, Jeanne Williams, and Sharon Withey. Successful Year

Headed by officers Martha Gallier, President; Brenda Drain, Vice-President; Jane Todd, Secretary; Bucky Grimes, Treasurer; Norma Cooke, Historian; Barbara Miller, Reporter; Lynn Schnitman, Junior Representative; Susan Curry, Sophomore Representative; and sponsor, Mrs. Marilyn Ward, the American Field Service had its most successful drive this year. Due to the efforts of the club members, they raised not only the required amount of money for the usual two exchange students, but also enough funds so that RHS may have three exchange students in 1968-69. An unusual highlight of the A.F.S. drive was the school-wide slave sale of twenty girls belonging to the club. Exchange students this year were Bert Metzger from Koping, Sweden, and Pablo Proa from Quito, Ecuador.

A.F.S. members showed Pablo and Bert how Americans celebrate Christmas as they decorate the tree in the cafeteria.

Cathy Ernst, the slave with the mostest, brought the top bid in the slave sale.

Gourmet Club Stages Cook-Ins

Teddy Barron and Don Buroker enjoy the results of their hard work.

Under the sponsorship of Mrs. Jean Foster and Miss Carolyn Stone, the Gourmet Club of 1967-68 enjoyed many cook-ins. The boys learned to prepare food, then prepared it themselves. They performed all clean-up duties, too.

One main objective of the Religious Council is to help wherever they are needed. An opportunity came about this year when plans for the Richardson Kindergarten for Retarded Children began to take shape. The Council adopted this as a Christmastime project, and, when Christmas vacation came, they were able to contribute \$1000 to the Kindergarten.

A devotional is given by a member of this organization each Monday morning.

Girls Enjoy Wonderful

Cathy informs the club of upcoming projects during Homeroom meeting.

Richardson High Girls Club is a club that serves Richardson High School and the Dallas County area. Membership in the organization is limited to 56 girls, who welcomed Mrs. Anita Landenberger as their new sponsor this year.

During the 1967-68 school year the members promoted school spirit by having a spirit cup-cake sale, sponsoring a victory dance, and selling basketball schedule pencils . . . Early in the year the club selected new members and surprised them with a party . . . They began planning their float for the homecoming parade, "R.H.G.C. Spirit Kicks High in '68" . . . For the club's Thanksgiving project, the girls presented a needy family with clothes and food . . . R.H.G.C. is closely associated with the Fowler Home in Dallas and has done several things for them this year, including a school-wide Christmas project co-sponsored by R.H.G.C. and the Pal Club.

Youths participating in a facet of community work . . . these are the members of the Junior Citizens of America. Whether it was furnishing television sets at the Recreation Center so that the people of Richardson could watch the Cowboy game or selling "The Year of the Eagles" bumper stickers to boost spirit at RHS, young Jaycees found many ways of serving Richardson.

Under the sponsorship of the Richardson Jaycees, they sold trees on Arbor Day and took a day to take several orphans from the Buckner Childrens' Home Christmas shopping. They also sponsored a huge bonfire honoring the basketball team. Later in the year they attended the annual convention and held a hayride for the members.

Duane Anspen seems to have made a sale by convincing Randy Combs that every car needs an "Eagle" sticker.

JCA Has Eventful Year

"Burn the Fern" was the cry for the first basketball team bonfire sponsored by the Junior Citizens of America. Through the cold temperature of January 11, JCA members hauled many forsaken Christmas trees to the Canyon Creek site. Their efforts were not in vain, for when the trees were lit at 6:30, the fire proved to be a radiant one.

First Vice President Mike Meyer gives instructions pertaining to the trip to Austin.

With the purpose of encouraging an interest in and appreciation of the civilization, language and art of ancient Rome, the Junior Classical League of 1967-68 highlighted its year with the state convention held on March 29 and 30 at Austin Ragen High School. Several RHS members entered the competition, and all represented RHS well.

Cramped and scarred fingers were evident on JCL members as they created a beautiful Parthenon for the Homecoming Parade.

Since the membership of the Latin Club was so large, the club was divided into two chapters under sponsors Mrs. Margaret Edwards and Mrs. Dotsey Roberts supervision. Initiation was held in the fall and again in the spring for the addition of fifty new members.

Entrants Steve Gardner and Steve Gaspar rehearse their reading for the competition at the state convention.

The Key Club . . . Young Men Willing to Serve

Monthly visits to the Scottish Rite Hospital for Crippled Children prove to be a rewarding experience to all who attend.

A cross-section of one of the weekly Tuesday meetings shows a very attentive (?) group.

One Sunday each month, the Key Club attends church together. Seen here at the First Methodist Church in Richardson are the 1967-1968 officers: Larry James, Treasurer; Mike West, Junior Director; Ron Hubbard, Secretary; Jim Madden, President; Gordon Bellah, Sophomore Director; and Chris Lin, Senior Director. (Not pictured are Bob Kaymeyer, Vice-President and Fred Zeiller, Assistant Secretary.)

The RHS Key Club again devoted its time to the service of others. Each month, the club entertained children at the Scottish Rite Hospital or Crippled Children and attended church together. During the fall semester, they aided the administration by selling football tickets. In October, the members sold candy to help pay for the annual prom. They also enjoyed the hayride and helped distribute Muscular Dystrophy collection containers. They delighted the children at Denton State Home with a skit done with GSL I and II.

The spring semester was highlighted by the annual convention and the Key Club Valentine Prom. "The Sound Investment," a group from Houston, provided the vibrating sounds in the Grand Ballroom of the Sheraton-Dallas Hotel. During the dance, Diane Rogers was crowned sweetheart from a court of lovely young ladies which included Terry Kreig, Kathy Ernst, and Anne Reynolds.

Mike Leigh, Lieutenant Governor of the surrounding district, headed the March of Dimes in the area and Stan Holmes conducted the march in Richardson, in which interested students devoted their time. The Key Club also went together with GSL II to give a benefit car wash for an RHS student who was seriously burned, Art Stewart. In March, they sponsored the American Cousins, the sing-out group for good time patriotism and also volunteered to help the Quarterback club with their sale of fertilizer.

The Key Club can again be proud of its members for a job well done.

Each year the Key Club sponsors a Leadership Banquet to which officers of all clubs are invited. This year's speaker, Ron Kinnamon, proved to be most interesting and entertaining.

F.H.A. I Means Fun and Service

Decoupage boxes for teenage hospital patients and selling the traditional valentine suckers were two of the interesting and useful projects of F.H.A. I this year. Under the sponsorship of Mrs. Whitney, this club contributed much to help make this year one of the best at R.H.S. Valentines Day would not have been complete if F.H.A. I members had not provided students at R.H.S. with eye-catching, heart-shaped cherry suckers. The members of this club gained experience and knowledge in the art of homemaking and also had the chance to be of service to others in the process.

F.H.A. III Serves and Learns

Future Homemakers of America, Chapter III, sponsored several service projects this year, in addition to learning the finer art of being a homemaker. The girls wrote letters to an eleven year-old girl who was in the hospital. Around Christmas time the club held a bake sale, and the proceeds went to help a Children's Shelter. Other projects included some field trips and guest speakers.

Mrs. Dorothy Simpson is sponsor of Chapter III, and the officers are Sue Hunter, President; Judy Wilkinson, Vice-President; Sue Nicks, Secretary; Susan Brookner, Treasurer; Sharon Stuteville, Historian; and Pam Roderick, Reporter.

Fashioning an eagle from a Model "T" car is not an easy undertaking, but talented newcomers soon formed a good likeness of the beved mascot as their entry in the Homecoming Parade.

Officers for the year are President Scott Kalmus, V.P. Jim Tucker, secretary Susan Ramsey, Treasurer Bob Downing, Historian Karen ung, and reporter Rande Hedgecock. Mr. John Taylor, a new addition to RHS himself, served as sponsor for the group of new faces at HS.

President Scott Kalmus and sponsor Mr. Taylor certainly find odd spots for their board meetings.

Pal Club Adds Kindling Spark

The Pal Club spent many long hours during the summer painting the stripes on the parking lots. The Club, under the sponsorship of Mr. Jerry Hall, also worked in the concession stands during football games and track meets. At Christmas the Pal Club joined with other service clubs in giving presents to orphans at Fowler Home in Dallas.

The Beginning French Club Explores French Cuisine

The Beginning French Club is a newly organized club at RHS. As its first year's project, the club undertook to learn more about the foods and customs of France.

Officers for the 1967-68 school year were Eileen Sullivan, President; Yvonne Barnes, Vice-President; Debbie Godich, Secretary; Marilyn Brandt, Treasurer; Kathy Ernst, Parliamentarian.

Projects undertaken by the club this year include bake sales, a homecoming float, and the annual Monte Carlo party. At the party, members enjoyed French food prepared by the girls, dancing, and games patterned after a French casino.

The main purpose of Les Aigles Francais is to gain an understanding of the French language, people, and their customs. To achieve this goal, the club saw films on France at one of their meetings.

Jeter, Mr. and Mrs. Ernest Kelly, exchange students Pablo Proaño and Bert Metzger, and Martha Gallier, President of A.F.S.

NFL Hosts First RHS Speech Tournament

Members Sheila Allen, Mark Osterberg, Martha Pietzch, Bick Ferguson, Steve Kemple, Debi Sistrunk, Jim Reynolds, Barry Ruback, Anne Jarboe, and Stephen Ruback know that preparation for a tournament takes both time and effort.

Utilizing the new auditorium, the National Forensic League hosted the first speech tournament to be held at RHS. Preparation began in the spring of 1967 for the Nov. 4th and 5th event in which several hundred students participated representing over 40 schools from all over the state of Texas.

Events included Boys' and Girls' debate, Duet Acting, Extemporaneous Speaking, Dramatic Interpretation, and Original Oratory. Students of RHS volunteered to keep time at each presentation; and with the added help of the teachers and the administration, the tournament was acclaimed a success.

Members also attended 12 other tournaments during the year and brought home many outstanding honors. Leading this group of talented students is President Barry Ruback, V.P. Jim Reynolds, Recording Secretary, Mark Osterberg, Corresponding Secretary Anne Jarboe, and Treasurer Stephen Ruback.

Future Teachers Gain Practical Experience

The Future Teachers Association is a club sponsored jointly by the Texas State Teachers Association and National Education Association. The club is formed of high school students planning careers as teachers. The Texas F.T.A. Convention was held in Dallas' Memorial Auditorium this year and was attended by three RHS delegates — Susan Altenberger, Pam Messimer, Melinda Wallace — and F.T.A. sponsor Mrs. Alec Gaydon.

Highlighting the club's year was a chance to get first-hand teaching experience in the Richardson elementary schools while the teachers were involved in pre-registration.

Pam and Susan enjoy the opportunity to instruct these sixth graders.

Foreign exchange students Bert Metzger and Pablo Proano present a talk to the F.T.A. on teachers in their home countries.

Showing pride in their work are Don Harrison, Carl Jensen, Clay Cox, Daryl Brown, Ed Winslow, and Mike McCauley. Not shown is Art Lavergne.

The Projection Club is a new asset to RHS this year. Under the direction of Mr. Jerry Miller, it consists of boys from various study halls who are in charge of all visual aids and sound equipment. Members repair tapes, films, and machines, as well as setting up the equipment for teachers.

The goal of the Pan-American Student Forum (PASF) is to promote peace throughout the Americas by understanding the problems of the Spanish speaking people. This year PASF gave clothing and money to the victims of Hurricane Beaulah in northern Mexico.

After weeks of grueling practice and memorizing plays, the P.A.S.F. Fleas took on the French Club Flies in a powderpuff football game. Providing the halftime entertainment were the Fabulous Golden Belles — the male half of the club. The game served as the P.A.S.F.'s major money-making project.

Organizations . . .

They are the foundation of all activities and play an important role in the lives of students of Richardson. The activities give the student a chance to serve his school as a member or a leader and develop his character through serving others who are less fortunate than himself. Through organizations, a student can gain a deeper understanding of fellow students, and his special interests may be further explored. The bake sales, the poster parties, the victory dances, the homecoming floats, the Christmas projects, the money-raising drives, service to the handicapped and the old, the speech tournament, *My Sister Eileen*, elections, concerts, assemblies; all of these compose . . .

the Nature of Youth.

Born to win, the knowledge of the way to win we learned in succeeding years. But the first time we ever truly tasted victory was the day we smiled and swallowed defeat.

Hillcrest, Carter Bow to Warbirds

The mighty Eagles set the stage for a successful year by defeating the Hillcrest Panthers (35-13), and the Carter Cowboys (20-0) in the season's first two games. While their opponents showed early season jitters and mistakes, the Warbirds displayed remarkable poise. The offense, led by the passing of Bob Dudney, was largely responsible for the Hillcrest massacre. The Carter game, on the other hand, was dominated by the tenacious Eagle defense, led by David Arledge and Jimmy Hoffman. This combination of potent offense and punishing defense proved to be the winning combination throughout the season.

Eagles Drop Squeakers to TJ and Grand Prairie

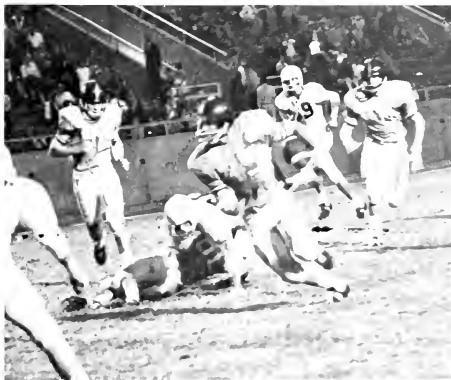

The Eagles suffered two heartbreaking losses at the hands of the Thomas Jefferson Rebels (25-21) and the Grand Prairie Gophers (8-7). Both games were extremely exciting, and the outcomes were in doubt until the final whistle. In these two games, the Eagles learned the value of teamwork and vowed to work even harder to avenge these losses. Half the season still remained, and the Eagles entered it with soul and determination.

RHS Adds Two More Wins

The Eagles tasted victory twice with impressive wins over the Denison Yellowjackets, 21-0, and the South Garland Colonels 21-7. The highlight of the Denison game came on the last play when Hank Dubey pilfered a Yellowjacket aerial and raced 26 yards for the touchdown.

To the delight of a huge Homecoming crowd, Mack Rogers and John Swords put on a tremendous running show. Rogers scored on a three yard run, and with just five minutes left in the game, Swords bulled 19 yards for the final Eagle score.

Eagles Smash Skeeters in Zone Opener

Despite a mistake-filled first quarter, the Eagles trounced the Mesquite Skeeters 41-6. The mighty Warbirds exploded for five first half touchdowns along with one in the final period. Excellent calls by field general Bob Dudney and powerful running by Stan Holmes, John Swords, and Mack Rogers paved the way to Eagle victory. Especially impressive was the blocking of the interior line. But the real standout of the game was Captain Dave Arledge, who blocked two punts, an extra point try, and a field goal attempt. This victory in the district opener put the Eagles on the top of the heap in the 7-AAAA South zone race.

Chris Harvey (32) bulls through the line as Tom Woods (82), Randy Curtis (83), and Mike Marks (74) supply key blocks.

Eagles Batter Lions, Scotties

Eagles break the ten-year R. L. Turner hex with a smashing 49-0 victory as shown on the scoreboard.

In awesome displays of offensive power, the Eagles added two more district wins by throttling R. L. Turner 49-0, and Highland Park 34-12. The Eagle ground attack was fantastic as David Cordell, Mack Rogers, and John Swords gained over 500 yards between them in the two games. The most exciting play was provided by Cordell as he broke for a spectacular 49 yard scoring run during the Turner game. These two victories forced Richardson into a showdown against Garland for the South Zone Championship.

Mack Rogers is hauled down after gaining good yardage against Highland Park.

Eagles Capture Zone Title

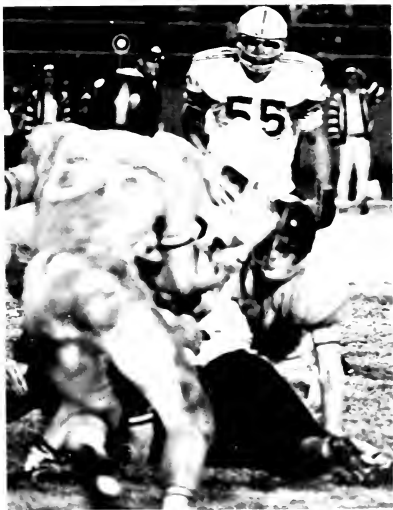

The Eagles overcame a long-standing hex when they defeated the Garland Owls, 21-0, to win the South Zone Championship. The victory was especially sweet for the Eagles, as it was the first time Richardson has ever beaten arch-rival Garland.

Hank Dubey started the scoring with a 30 yard runback of a stray Owl pass. Bob Brown's eight yard scoring reception and David Cordell's 26 yard jaunt rounded out the scoring. The defense played superbly in containing the Garland offense on the muddy field. This victory moved the Eagles into the District 7-AAAA championship versus the South Garland Colonels, winners of the North Zone.

Eagles Maul Colonels for District Title

This sign in RHS fieldhouse sums up Eagle footballers' spirit and season.

The Eagles capitalized on South Garland mistakes and thoroughly trounced the Colonels 35-6 to capture the District 7-AAAAA crown. The Eagles scored 21 points in the first six minutes on one run by Bob Dudney and two by John Swords. The defense then took control of the game and limited the South Garland offense to a fourth quarter touchdown. Scoring runs by David Cordell and Swords rounded out the Eagle's total. This was the first district championship for Richardson in 11 years.

Eagles Claw Lobos for Bi-District

In the biggest upset of the year, the Eagles smashed the state's 2nd ranked team, the Longview Lobos, 21-13 to capture the Bi-District Championship. After an early Longview touchdown, Jimmy "Grits" Hoffman reversed momentum of the game when he grabbed a field goal attempt blocked by Dave Arledge and galloped 65 yards for an Eagle touchdown. But the Lobos battled back to grab a 13-6 lead. Mack Rogers turned the tables again with a determined 17 yard scoring run, and a two-point conversion made it 14-13. With just one minute remaining, Rogers again bulled over from the one to make it 21-13. This was the first Bi-District football Championship in the history of Richardson.

Tom Dewell plows for extra yardage after receiving a Bob Dudney pass.

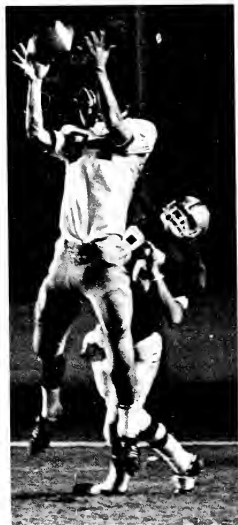

Jubilant Eagles Mark Golightly (65), Glenn Lowe (63), and Bruce Butterfield (22) celebrate after the Longview game.

Eagles Demolish Cougars

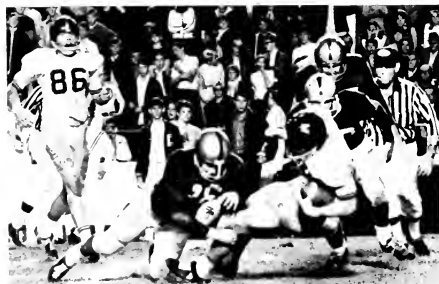

Quarterbacks Bob Dudney and Scotty Miles shake hands after the game.

The Eagles capped the most spirited week in the history of RHS by smothering the Bryan Adams Cougars, 27-0, before 40,000 fans in the Cotton Bowl, December 1. By combining the passing of Bob Dudney and the running of John Swords and Mack Rogers, the Eagles ran up impressive offensive statistics. Farmer Brown and Tom Dewell both made spectacular pass receptions to round out the offense. The defense, led by Greg Jacob, played a tremendous game in holding the Cougars' explosive offense out of Eagle territory most of the night. The defensive secondary swiped three Cougar missiles to completely shut off each Bryan Adams threat. This victory set the stage for the game between RHS and the number one ranked team in the state, Abilene Cooper.

Farmer Brown makes a spectacular catch for six points against the Cougars.

Mack Rogers is stopped after picking up valuable yardage against Bryan Adams.

Bruce Butterfield is hauled down after a fine punt return.

Mack Rogers plunges over from the two for the lone Eagle touchdown.

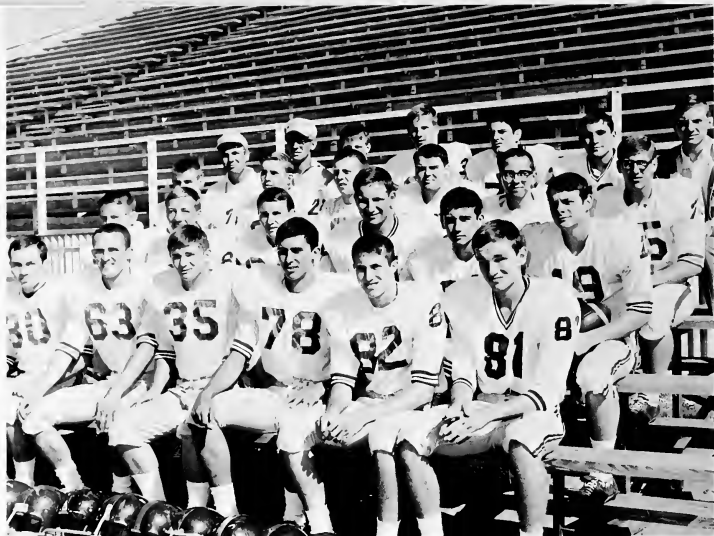

After the game, Dave Arledge offers congratulations to the Cougars.

Eagles Stopped in Semi-Finals

The flight of the mighty Eagles ended in the Cotton Bowl as they fell to the Abilene Cooper Cougars 42-6. Ranked all year as number one in the state, the Cougars proved their power as they built an early lead which the Eagles could not overcome. The Cougars owe their success to their great quarterback, Jack Mildren, who passed for four touchdowns and ran for another in an awesome display of power. Even against insurmountable odds the Eagles refused to give up, as they dominated play in the second half. Despite the loss, the Eagles can look back with great pride at the finest football season in RHS history.

J.V.'s Have Winning Season

The Junior Varsity displayed desire and hustle in a successful season. While few in number with only 22 players, these future Eagles played like champions through a difficult schedule in which they compiled a fine 6-2 record. They also were invaluable in preparing the varsity for the upcoming games. Next year's Varsity will be mainly composed of players from this squad.

B-Team Shows Promise for Future

Sixth row — Jerry Swords, Mark Hutchings, Steve Brock, Scot Hammer, Jim Parker, Brian Cowan.

This year's B-Team compiled a successful season record of 6-3. Throughout summer workouts and regular season play, injuries to key players hampered the B-team, particularly in the line. But the hustling B-teamers won the first 6 straight before falling in their last few games. Many taking positions unfamiliar to them, they played spirited ball and showed great promise for the next year's varsity squad.

In his first year at the helm of the Eagles, Coach Jerry Wade led them to an extremely successful season, as they tied Garland for the South Zone Title in District 7-A AAAA. It was a very young team that Wade molded into one of the finest squads in the history of Richardson.

B-Team Displays Spirit

This year's B-Team, under Coach Don Davis, compiled a fine season record of 12-7. Hustle and determination were the key words for our B-Team this year, as they pulled off several startling upsets, such as defeating District Champion Garland in the last game of the season. Made up of promising juniors and sophomores, the B-Team indicates that Eagle basketball could have a bright future.

Eagles Develop in Pre-District

The Eagles played through pre-season with a winning record. During the first few games, the inexperience of the team was apparent as the play was very ragged. However, after several games the team showed great improvement under new head coach, Jerry Wade. The highlight of the pre-district season was the trip to Abilene over the Thanksgiving holiday where the Eagles won against both Abilene high schools. Throughout these games, the squad displayed great spirit and desire, and showed promise for the upcoming district season.

Lions Fall Twice

David Sedler scores on a beautiful left-handed hook.

Richardson and R. L. Turner hooked up in two of the finest games of the year with the Eagles winning both, 53-46, and 64-57. David Seidler paced the scoring with 19 points in the first encounter as the Eagles were not assured of victory until the final 11 seconds. David Grant paced all scorers in the second game with 21 points while turning in a fine floor game.

David Grant (10), Bob Kammeyer (50), John Walker (30), and David Seidler (40) battle for a rebound against Mesquite.

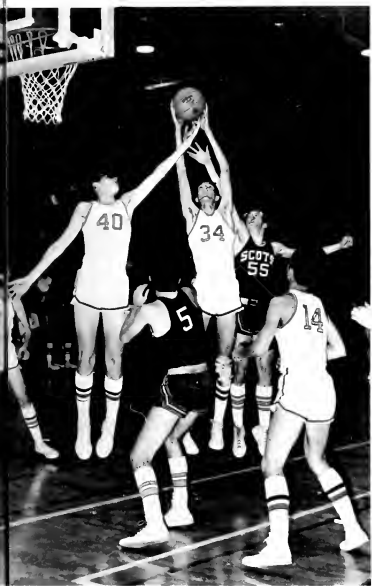

A Skeeter is sandwiched between David Grant and Bob Kammeyer during a scramble for a loose ball.

Mesquite provided little opposition for the Eagles as they were defeated twice, 73-59 and 75-63. The Eagle offense performed beautifully in both games as they ripped open Mesquite's defense for impressive scoring totals. Bruce Mundy led the scoring in the first game with 18 points, and Bob Kammeyer maintained his high scoring average with 21 points in the second game. The Eagles now stand 6-0 in district with the two games against Garland yet to be played.

Phil Fielder fights off a Skeeter as he hauls down a rebound.

Eagles Batter Scots

Gary Gartman goes up for 2 more points.

David Seidler and Phil Fielder battle for a rebound against the Scots.

The Highland Park Scotties received two sound thumpings at the hands of the Eagles 65-56 and 76-61. Bob Kammeyer was outstanding as he led all scorers in both games with 19 and 21 points, respectively. The two victories leave the Eagles with a four win and no loss record in district competition.

Bruce Mundy shoots a short jumper as both teams move in for the rebound.

Owls Split With Eagles

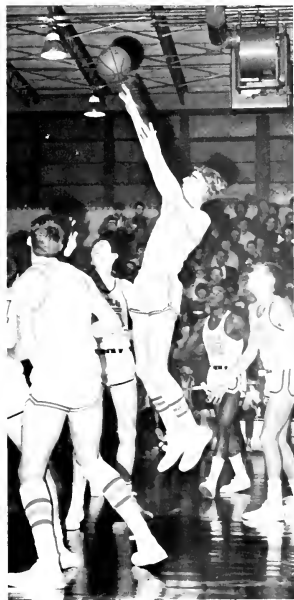

Bruce Mundy turned in his finest performance of the year with 24 points as he led the Eagles to a 62-55 victory in the first of two games against the Garland Owls. In the second game, however, the Eagles were ice cold from the field as they dropped a 48-45 squeaker to the Owls. Once again, Mundy led the Eagles with 12 points. The loss to the Owls forces the two teams into a playoff for the South Zone title as both have 7-1 records.

Bruce Mundy controls a tip against Garland.

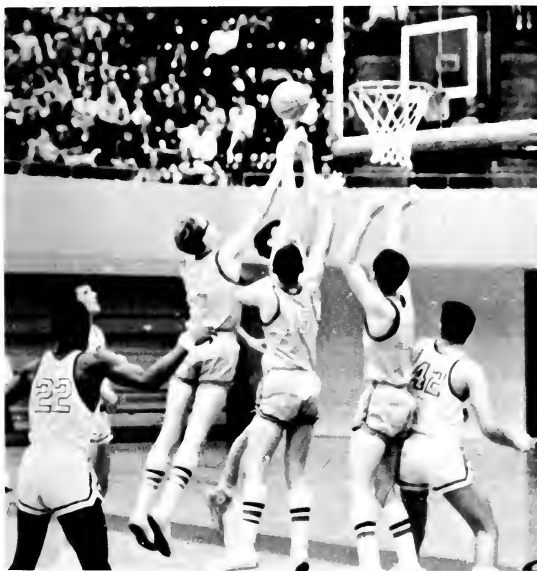

Going up high for two points is Bob Kammever.

David Seidler hits on a short jumper from inside the key.

Eagles Fall to Owls in Zone Playoff

David Seidler (55), Glea Ramey (15), and Pat Cowlishaw (32) battle the Owls for a rebound.

In the unfriendly confines of Moody Coliseum, history repeated itself as the Eagles lost the South Zone playoff to the Garland Owls.

Two years ago the Eagle basketball team lost to Garland in the South Zone playoff in Moody, and the cause of defeat this time was the same as it was two years ago.

It was a cold-shooting Richardson team that ran into a red-hot Garland team. The Eagles were within striking distance throughout the game, but could never get their offense into high gear.

The second half begins as Bob Kammeyer (51) jumps against Parker of Garland.

Each Wade discusses a play with Pat Cowlishaw and Bob Kammeyer during halftime as the rest of the Eagles look on.

Eagles Defend District Title

The 1968 Eagle Track Squad

The Eagle tracksters looked for their fourth straight district crown this year, and their eleventh in the last 12 years. The team was blessed with several returning lettermen. Among these were three of the four men on the district champion 440 relay; John Powell, a top miler; and Larry Mumaw, a pole vaulter who had one of the best jumps in the nation last year. Surely, this year's Eagle track team was a great one.

Eagle track managers Mike Smith and Jim Richmond make many contributions behind the scenes.

Conferring with Trainer Don Styron on the proper way to get out of the blocks are "Farmer" Brown and Mike West.

Eagles Led by Fine Coaches

The track coaching staff consists of Coach Ratliff, Head Coach Harris, Coach Huffman, and Trainer Don Styron.

Distance Men, Sprinters, and Hurdlers

Adding several points to the Eagle totals this year were distance men: Chuck Clark, Doug Wright, Dee Shrier, John Kuhn, Jim Harlow, Randy Rost, John Powell, Jim Litner, Sam Duncan, Chuck Kourvellas, and Brent Wallace.

These hurdlers and sprinters were helpful in giving the Eagles several victories this year. Alan Dever, Mike Bell, Glenn Lemmons, Mike West, Steve Funderburgh, Mike Payne, Larry Mumaw, Don Cannon, Boh Brown, Ronnie Parker, Bruce Butterfield, Rick Deason, and Lee Clepper.

Handling the Eagle field events were David Stallard, Guy Connelly, Ronnie Parker, Mike West, Steve Funderburgh, Larry Mumaw, Rick Deason, Ken Gordon, Tom Shophoff, and Bruce Butterfield.

Eagles Abound in Field Event Talent

A group of weight men whose efforts were most beneficial to the Eagles are Paul Paris, Jim Parker, John Wright, Barton Smith, and Mike Marks. 159

Working on his vaulting form is Tom Shopoff.

At a typical afternoon workout, sprinters Steve Funderlurgh, Jimmy McKissack, and Mike West are hard at work practicing their take offs from the blocks.

Cross Country Wins 4th Place in State Meet

The R.H.S. cross country team had a very successful season in which they won 5 meets, came in a close second twice, and did very well in the state meet, bringing home a 4th place trophy. Pacing the Eagles runners and constantly winning points were Chuck Kourvales, Jim Lintner, Randy Rost, Brent Wallace, Lee Clepper, who won 9th place in the state meet, and Sam Duncan, who became the state 4-A cross country champion this year. Other fine runners were Chris Lin, Jim Harlow, John Kuhn, and Dee Shrier.

Front row L. to R.: Mike Mitchell, Chuck Kourvales, Lee Clepper, Mike West, Sam Duncan. Second row L. to R.: Randy Houston, Rick Deason, Chris Lin, Jim Lintner, Tom Shophoff, Brian Hoover, John Kuhn. Third row L. to R.: Mike Bell, Mike Smith, Chuck Clark, Ken Gordon, Jim Harlow. Fourth row L. to R.: Dee Shrier, Randy Rost, Ed Kneese, Guy Connelly, Brent Wallace.

Baseball Team Has

Kneeling L. to R.: Scotty Baxter, Phil Dyer, Ben Fink, Gary Gartman, Dave Monroe, Gary Venable, Jeff Kretzer, Russ Stovall, Teddy Barron. Standing L. to R.: Coach Joe Roseborough, Manager Gerald Housley, Mike Twichell, Bruce Gadd, Rick Coleman, Bob Kammeyer, Randy Curtis, Mike Livingood, Wayne Stewart, Jud Good.

Youthful Coach Joe Roseborough is a fine baseball player himself.

Potentially the finest baseball team in Richardson history awaited anxiously the opening of the 1968 season under talented coach Joe Roseborough. Despite the cold and rainy weather, spirit and hustle were ever-present during the early workouts. An excellent pitching staff and tremendous hitting are the highlights of this year's squad.

This year's B-Team will be handled by Coach Dave Pullias.

Wayne Stewart and Bob Kammeyer are the nucleus for the Eagles' fine pitching staff. As both are seniors, they have a good deal of experience and never lose their cool out on the mound. Wayne relies mainly on a sweeping curve while Bob's best pitch is a blazing fastball which he combines with his pinpoint control to baffle most batters.

Gary Gartman and Jud Good have been on the varsity ever since their sophomore years. They are both fine glove men who swing big bats. Jud is particularly well known for his constant chatter.

These four seniors contributed a great deal to the Eagles this year. Each one does at least one thing that is particularly outstanding. Monroe is a great glove man, Barron is extremely quick, Kretzer is a tremendous hitter, and Venable is the fastest man on the team.

PHIL DYER
Junior Pitcher
Lettered 3

The future of Eagle baseball appears bright because of the caliber of the Juniors on the team. All three of these boys are starters, and they start at the three most important positions on the team. Rick is the shortstop for the Eagles, and he is also the best hitter on the team. Phil can play every position on the field equally well and is well known for his strong throwing arm. Russ is possibly the best catcher in the district.

THE NATURE OF YOUTH

Honors

Mr. and Miss RHS
Bob Dudney Susan Brookner

Creative, athletic, and intelligent are three adjectives that describe Mr. RHS, Bob Dudley. Bob impresses all who know him or know of him with his many achievements. His athletic abilities were clearly shown in his leadership as quarterback of RHS's successful football team during the 1967 football season. But Bob's achievements in the area of sports are not confined to the football field; he has received many commendations for his journalistic ability in sports writing and one day hopes to become a sports writer.

Enthusiastic is but one of the words that could describe Susan Brookner, Miss RHS. From late-night hall decorating to boost RHS'ers spirit to the ultimate — to further service activities through R.H.G.C., Susan is but a flash through the halls, but not so fast that she doesn't have time to smile and wave a friendly "hello."

Mr. and Miss Personality
Glenn Lowe Judy Gross

Judy Gross's interest in people is what makes her radiating personality shine. Not only for her close friends, but also for others, Judy has a friendly word for each she sees. Being lieutenant for the drill team as well as a Homecoming attendant has filled out her year of smiles and tears at RHS.

Jolly giant Glenn Lowe was RHS's choice as Mr. Personality. Glenn has always been a favorite for his friendly, out-going personality. Perhaps the most well-liked boy in school, his success at RHS is a result of this winning personality and ability to make others happy too.

Miss Pep and Mr. Sport
Kathy Vogt John Swords

An ideal choice for the title Miss Pep, Kathy Vogt serves RHS as a cheerleader. At Kathy's vivacious spirit is visible in everything in which she participates — from cheerleading to serving in Richardson High Girls' Club. Kathy's enthusiasm is contagious to everyone with whom she comes in contact; and her sincerity and winning smile make others smile too.

Speeding down the Backfield for that extra touchdown is but one of John's virtues. Pushing off the shot put for record breakers is enough proof of his qualifications for Mr. Sport. John finds time from sports to head Junior Civitans of America in order to promote patriotism and citizenship in the school and the community.

St. Har

Dark hair and deep brown eyes set off the swift gliding of girls' hearts. Not only is Mark noted for his good looks but also for the tremendous action he displayed during the gridiron season. The "sophisticate" is Mark in dress, manners, and voice, but he is not lacking in the personality and friendliness which play a big part in being Most Handsome.

Sophistication and elegance are synonymous with HS's Most Beautiful, Kathy Hansen. She is respected and perhaps envied not only for her beauty but also for the many honors which she has received. Gifted and industrious, Kathy seems to be one about whom people ask "What can't she do?" Blond hair, blue-eyed Kathy is an ideal choice as Most Beautiful not only for the obvious reason but also for her great service to her school and community.

1967-68 Hall of Honor

Pam Melton, Stan Holmes, Anne Reynolds, John Walker, Martha Shepherd, Nancy Frazier, Jim Madden, and Martha Gallier.

Scholarship, leadership, and character are the qualifications on which eight students are elected each year to the Hall of Honor. The faculty and Student Council select the eight top students of sixteen nominees who have contributed most to RHS during their high school years in both the classroom and extra-curricular activities.

Activity is Martha because she is often where 'the action is.' President of American Field Service, Vice-president of G.S.L., II, and a member of Playhouse, Annual Staff, and N.H.S., her involvement with people, no matter who they are, shows to others the concern that the youth of today must have to make a better world.

An avid supporter, whether it be sports or either school activities, Stan is the Man. Vitality keeps him on the go as he has served on the Student Council and as captain of the Eagle football team his fourth year in high school.

Involvement is Martha Shepherd's main contribution by serving her activity-filled years with Eaglettes, N.H.S., and G.S.L. I. Her classmates admire her leadership as secretary-treasurer of her Junior class and Treasurer of her Senior class. While serving as editor of the 1968 Eagle this year, she has added vivid imagination and ideas. Giving of herself so unselfishly, Martha is thus given the recognition she deserves.

"Do unto others as you would have them do unto you" must be the motto of John Walker. Throughout his high school career, he has excelled in reaching high goals. A sports enthusiast in playing baseball and basketball, he is also a member of Fellowship of Christian Athletes and N.H.S.

Anne Reynolds is credited with many noteworthy achievements in various organizations. Student Council, GSL I, P.A.S.F., Eaglettes and the Eagle staff has kept Anne busy. Energy, a tireless effort, is another characteristic of today's youth.

The Hall of Honor is not the finale for accomplishments in Jim's life, for they will never cease. Jim has contributed to the benefit of RHS through his leadership as president in the Golden Eagle Band and Key Club. Also dividing his time is Student Council and A.F.S. A nature of today's youth is dependency, which builds the character of such people as Jim.

Nancy Frazier seems to excel in everything she does, whether it be scholarship or extra-curricular activities. Nancy was the recipient of a scholastic jacket and serves as secretary in the National Honor Society. She further serves her school and community as an Eaglette and Vice-president of R.H.G.C. She is the business manager of the 1968 Eagle, and is involved in the many activities of AFS. Nancy's dependability and willingness to work would be difficult to equal by her classmates.

Nothing outshines the warm smile that Pam Melton has for everyone. Excelling in all she attempts, Pam has served on the Student Council, in GSL II, and as captain of Eaglettes. Setting an example, she helps to break a pathway for tomorrow's youth as they strive to be worthy of honor today.

National Merit Finalists Named

National Merit Finalists: Beverly Renfrow, Cathy Reynolds, Nancy Hutchison, Norma Cooke, Jill Griger, Jack Gammon, Jim Reynolds, and Barry Ruback.

Richardson is a unique school to have nine National Merit Scholars for the 1967-68 school year. Not only did these nine students receive commendation as National Merit Semifinalists, but also each of them went on to become a National Merit Finalist. The National Merit exam is given in the spring of the junior year, and the honors are presented solely on the basis of the test results.

Honored Students Receive Scholastic Jackets

Each year twelve seniors and eight juniors are chosen for their high scholastic rank as scholastic jacket winners. These students represent the top students of the Senior and Junior classes. Their scholastic averages are computed on the basis of their preceding year. The scholastic winners for 1967-68 are as follows: Seniors — Larry Brittain (not pictured), Nancy Frazier, Janet Overman, (not pictured), Beverly Renfrow, Cathy Reynolds, Barry Ruback, Patricia Stover, Brent Wallace, and Steve Weart; Juniors — Pat Cowlshaw, Gail Dickenson, Virginia Hawes, Randy Miller, William Moore, Hugh Rogers, Tommy Thomas, and Larry Zeagler. Receiving jackets for the second time, having received them as juniors, are Barry Ruback, Beverly Renfrow, Steve Gaspar, Steve Weart, Janet Overman, and Cathy Reynolds. Special congratulations go to these students for their outstanding high school records.

Pictured on the auditorium stairs are the outstanding students who have received scholastic jackets for the second time.

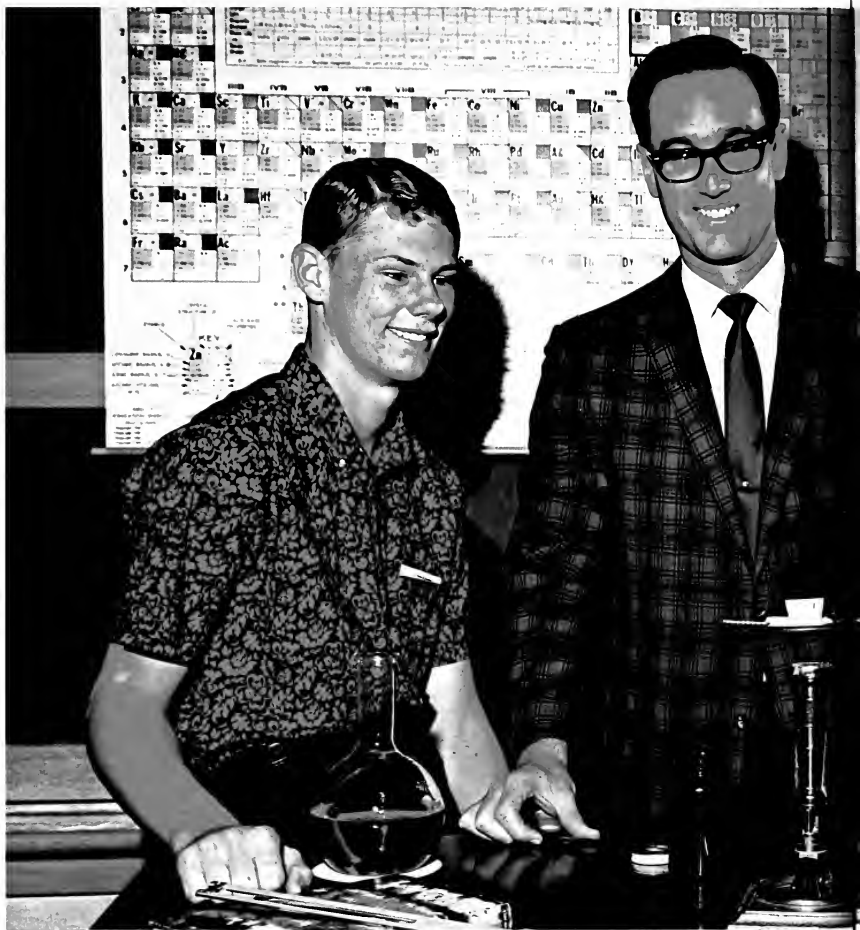

Gathered in the Eagles Nest are the commended winners of the scholastic jacket of the Senior and Junior Classes.

Junior Ushers Help Seniors Enjoy Activities

Junior Ushers for 1967-68 are (right to left) Brenda Brown, Jimmy Baker, Natalie Beers, Stephen Ruback, Cathi Akin, David Cordell, Linda Foster, Phil Dyer, Janet Hambright, David Grant, Candy Jones, Fred Zeiller, Melinda Nelson, Steve Alford, Yvonne Barnes, Mark Moran, Roxanne Baxter, Tommy Thomas, and Ann Peck. Not pictured are Steven Hull and Susan Wright.

In November, the Senior Class elected twenty-one students to serve as junior ushers for Senior activities. These students usher at the Senior play, Baccalaureate, and Commencement services and assist with such activities as the all-night party and the distribution of graduation invitations.

Today, while we are young and inexperienced, take our hands and teach us; and when we are old and wise, your reward will be the persons we have become.

Able Leaders Direct the Growth of R.H.S.

Throughout this year of unprecedented greatness, Richardson High School was led by four capable administrators, two of whom were new to our school. Mr. Joe Collum and Mr. William Jeter were joined by Mr. Ernest Kelly and Mr. Jerry Miller.

Mr. Kelly brought with him a fine reputation in the educational field. He received his BA from West Texas State University and his M.Ed. from the University of Colorado. He worked on his doctorate at the University of Wisconsin. Before coming to Richardson, he served for nine years as principal of the senior high in Borger, Texas.

A Texas native, Mr. Miller attended several Texas schools and received his M.Ed from North Texas State University. He began his teaching in the Richardson Independent School District at Lake Highlands High School but soon transferred to Richardson High School.

Seniors in Action

Seniors Paula Browne and Marshall Reed, work behind the scenes.

Christi Hahs and Bruce Thrasher "keep-off" the Eagle

Seniors enjoy "working" with underclassmen on the Annual Staff.

'68 Seniors Talented

Is Susie Allen teaching a class in Hair Styling? Larry Grissom seems to think so.

Charlie Bertrand is talented in waiting patiently to see the counselor.

Mary Clark, Karen Murray, Kathy Lingo, Cindy Odell, and Pam Peek are skilled at finding a table in a crowded cafeteria.

Many Areas

Another Jeff Tucker masterpiece in the making.

Skilled hands in shop work.

Bob Long, Sandy Jones, Steve Way ask "We're supposed to make a newspaper out of this?"

“... Through the Years

"I'll Still Be True."

Seniors Say Farewell to

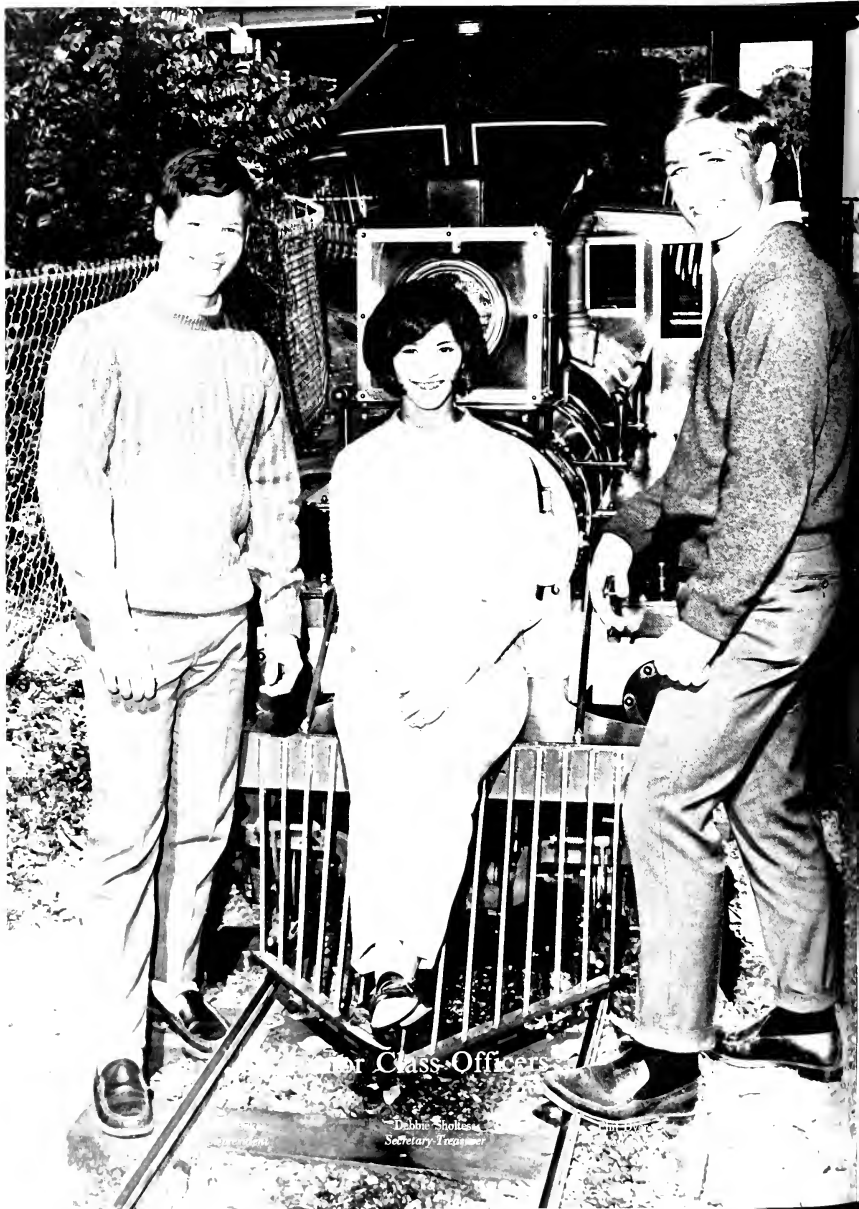

S and Their High School Days

It is the nature of men to
 Recall the past with introspection
 relive cherished memories
 rekindle important fires
 search for a place in life
 We have been seniors
 We are now freshmen
 in the community of
 men and women
 And now follow this nature.

A Sophomore's Day at RHS

Having two more years at RHS,
Sophomores are the lucky ones.
Some look down on them with superiority.
Yet, they seem to grow in three ways:
Mentally, with the help of their teachers,
Spiritually, with the help of God,
And socially, with the help of each other.
Thus sophomores make a place for
themselves in RHS,
And truly exemplify the lighthearted . . .
Nature of Youth

Time seems forever when we are young, but these days are precious and time is fleeing faster than we realize. All too soon our youth will be but a joyous memory. So, today, we must hang on to our dreams and true ideals, for these are what keep us young. Time may rob us of our youth, but it can never steal away our memories.

We hope that we have captured in the 1968 Eagle some of the treasured moments which will in future years illustrate to you — THE NATURE OF YOUTH.

Sincerely,
1968 Eagle Staff

I don't really
 know where to
 start. You're one of
 the best friends I have
 and we became close in
 such a short time. You've
 really helped me. Aside from
 the fact that I can't stand you, or
 I feel like you and Phil all
 something. I wish you and Phil all
 the luck and good wishes in the world.
 Be careful (not much fun, but safe)
 Love ya' always
